"We The People"

In 1987 Gary recorded a patriotic album entitled "Proud To Be An American" in conjunction with the signing of the constitution of the United States of America. The honor of using the official symbol, "We the People," was given to him for his dedicated participation in the State Observance Ceremony at the State Capital.

Gary has also been the recipient of the prestigious George Washington Honor Medal in recognition for individual achievement in the area of patriotism by the Freedom Foundation of Valley Forge, Pennsylvania. He has taken his messages to the public by CD, audio cassette, radio, television, and personal appearances. Video cassettes available soon.
