

# Most Popular Programs 2005

## THE POWER OF ONE

(Keynote)

*"It's not what happens to you in life that matters, it's how you respond to what happens to you that matters." Zig Ziglar*

*"You don't drown by falling in the water, you drown only when you remain there". Cavett Robert*

This program focuses on the power within each of us to make a significant difference in our own life and create a better world. Powerful stories of individuals who took a risk to improve the world around them becomes the centerpiece of this stimulating presentation.

## EVEN EAGLES NEED A PUSH

(Keynote)

*"We are all faced with a series of great opportunities brilliantly disguised as impossible situations"*

This program causes the listener to look at the world through positive eyes to see the opportunities in life rather than the problems. Failure is simply a temporary setback in the process of success. In these days of educational reform, ENCOURAGEMENT is desperately needed. Through the use of personal experiences, humor and music, Gary will convince your group that "People don't care how much you know until they know how much you care". Gary will help you see and reach your potential.

## Proud To Be An American

(Keynote)

*"America is great because she is good, and if America ever ceases to be good, America will cease to be great". Alexis deTocqueville*

This multimedia presentation of music, message and humor will stir the hearts of your group. Special recognition is given to the veterans in the audience. We are reminded of the price that has been paid for our freedom and the need to pass that awareness on to the younger generation of Americans.
